TOP LEFT: Senior girls relaxing in student lounge area. MIDDLE: David Day showing his flower creativity. LEFT: Sheriff Woody Bart defends the campus from desperate outlaws. TOP RIGHT: Greg Koch demonstrating his graceful new football play. ABOVE: Sneakers? Who does Mr. Brown want to sneak up on?

Spirit Brings More Enthusiasm

This year's spirit has been really outstanding, enthusiastic and fresh new ideas were presented. We had "sock it to 'em", "can the cardinals", "over-haul", sneakers, bells, etc. For homecoming we had clash, backward shirts, cowboy, and finally a black-day to mourn the Cleveland dead. All the spirit building to the homecoming climax, and also having a lot of fun!

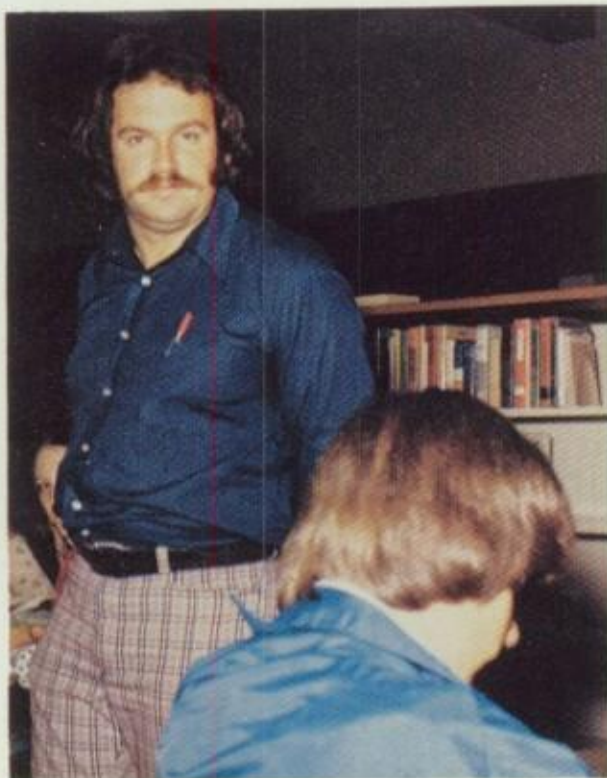

TOP LEFT: Pep assembly arousing spirit in student body. ABOVE: Pam Cook showing her spirit on over-haul day. RIGHT: Victor Kidwell and Mr. Dobbins caught up in school spirit. MIDDLE RIGHT: Mr. Flemming, Mr. Patterson, and Mr. Davidson take an active part in pep assembly as suckers (appropriate casting!) TOP RIGHT: "We all want our team to go, we're the class of years ago!"

Spirit Brings More Enthusiasm

This year Union High has eighteen new members to their staff. So we decided to show you some of the new and returning members of the faculty in action? LEFT: New principal, Mr. Jennings conferring with vice-principal Mr. Patterson, behind closed doors. CENTER LEFT: Mr. Davidson, he can be very friendly. BOTTOM LEFT: Mr. Jones—the saver of trees, how many is there now? TOP RIGHT: Mrs. Givens, we know why she is always smiling—she knows what goes on behind those closed doors! BOTTOM RIGHT: Mr. Pope posing with his usual pile of WORK for his math students.

Juniors Slave To Raise Money For The Prom

Starting with a fairly successful slave sale and a tremendously successful mum sale, the Juniors deposited 320 dollars, exceeding their goal. On Nov. 15th, the "Powder Puff" game brought in enough to pay for the band. With that behind them, they concentrated on their candy sale as well as plans for a week of field games and contests.

BELOW: Modeling the latest fad at Union High. BOTTOM LEFT: Greg Koch's after-shave really brings out the beast in him, so do those wild parties. TOP RIGHT: Amy Carter and Bob Horn say, "M-I-C, see you later, K-E-Y, Why? because we love you, M-O-U-S-E. BOTTOM RIGHT: Mike Maxey and Cheryle Silvey, Uncle Sam wants You?

They quickly chose the Camelot Inn as a location for the Prom. Leroy, do you still feel good all under? The Hawaiian theme was the best yet and the 75 Prom, thanks to those hard working juniors, was most enjoyed by all!

TOP LEFT: Here I am again with the latest, juicy gossip from first hour trigonometry. MIDDLE LEFT: Kevin Kelsey, Ronnie Brown, Amy Carter, Christy Spitsen—we knew the dress code was revised but.....BOTTOM LEFT: "Hi guys, Supermickey here! "Mickey Ford, is it really you? ABOVE: Grace Kaspar and Mariellen Kelseaux. I think Mr. Pope is so dreamy.

Johnny Mann, Move Over!!

Larry Clark, Union's new choral director, has revitalized this year's chorus and they have reached new heights in performing excellence. Cyndy Ashworth and Duane Brogdon, two outstanding vocalists, attained a place among the finalists in the talent show of the Tulsa State Fair. The choral organization also would like for us to extend their appreciation to Cyndy for all the time and effort devoted to making the chorus an organization of which Unionites can be proud.

ABOVE: Mr. Clark explaining the fundamentals of voice control, rhythm, and tone. TOP LEFT: Girls in chorus following singing directions. TOP RIGHT: Love ya, Clark! MIDDLE RIGHT: Senior boys, Cary Philbeck, Kevin White, and Donald Moore with voices of heavenly angels. RIGHT: Did Lawerance Welk start this way? A one-and-a two.

Under the field leadership of Violet Fisher, our drum majorette, the band marched like never before! With the expertise of the new band director, Bill Stone, we were proud of the performance diligently put on for our entertainment at every game (almost every game). The intricate patterns formed on the field still amazed even the most faithful band followers. With this year of renewed spirit and pride, the band really came through.

ABOVE: Band members mumbling, "We'd better get this number right or it'll be the plank I'm walking instead of this chalk line." TOP LEFT: Some of the valuable tools of music. TOP RIGHT: Practicing in early morning under blazing sun or freezing cold. MIDDLE RIGHT: Band in action, marching with precision diagonals. RIGHT: "Attention! Now hear this, We are the best band!"

Board Of Education

SEATED: John Ellison, Member; James Darnaby, President; Robert B. Grove, Superintendent. STANDING: Tom Fry, Clerk; Earl Burton, Assistant to Superintendent for Business Management and Transpor-

tation; Darwin Maxey, Vice-President; Jim Sanders, Assistant to Superintendent for Instruction; William Scott, Member.

The Board of Education of Union Public Schools in the past has done a fine job of administering to the needs of our community's educational desires, as well as necessities. Again this year the Board has equalled its past excellence, and we of the yearbook staff and the student body would like to congratulate them.

The Board's work, of course, does not end with the school year. This last summer, for instance, members were willing to listen to and act on appeals by representatives of

the student body for alteration of the high school dress code.

To be a member of the Board of Education for Union School requires a lot of time, patience, and understanding. We are confident our Board is made up of men with these qualities, men from every different walk of life. They are bonded together with one thing in common: to make Union Public School a better school for the community.

Hildred Flud

The staff of the '75 Redskin is proud to dedicate this yearbook to Miss Hildred Flud. Miss Flud has devoted her life to teaching, spending 31 years in this profession. For 11 years, she has been a mainstay in the business department at Union. Aside from her four classes a day, she has also spent many hours as yearbook sponsor - meeting deadlines, scheduling pictures and inspiring the staff to follow her tireless example. We are, unfortunately, losing Miss Flud to retirement this year so we would like to give her a well - deserved and long overdue expression of our gratitude.

Teacher Of The Year

Janis Fowler

Mrs. Fowler has been at Union for only two years but in this short time, she has won the respect and admiration of all her students and her fellow teachers. Aside from her normal duties as a Sophomore and Senior English teacher, she has also contributed her time this year as the Student Council sponsor. This honor was well-deserved and we would like to thank Mrs. Fowler for her effort and devotion the past two years.

Pages

Although Bea acted as a page at a different time, her duties were much the same as Bill's and John's. They included assisting the representative while the House was in session and running inter-office errands. They all served as Pages for Charles J. Prentice.

Go

Redskins

Our thanks to the band for showing their support at the games.

The Scalpers and Cheerleaders combine their talents to show the spirit of Union High.

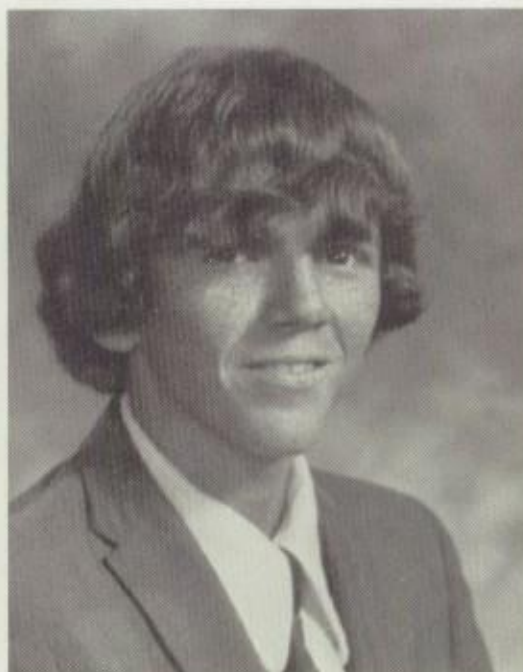

Graduates

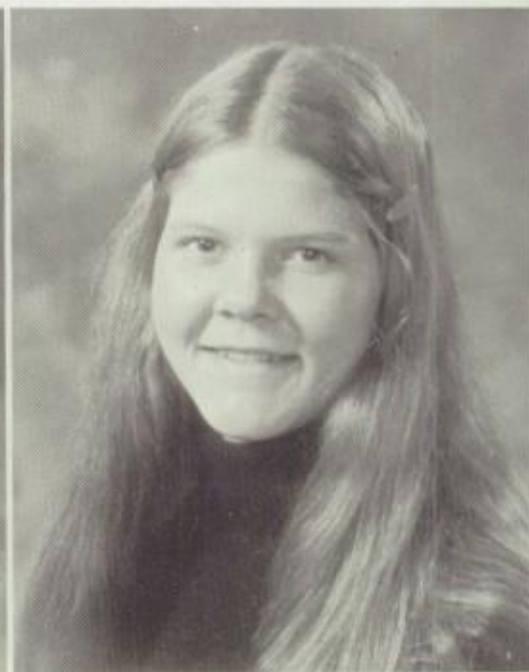

As the second graduating class of our newly built Union, we'll never forget each day that we walked the halls greeting smiles and friendly hi's. In no one way can we sum up the feelings and activities of the year. We have so much life ahead of us, but looking back gives us something truly to be proud of. The years are ours to appreciate forever.

There are places yet to see, people to meet, and questions to answer on the road to discovering ourselves. Our years at Union are a big part of that discovery and search. Each individual offered something special and unique so that we may never forget the beautiful people of Union High of the Class of '75!!

It's not the streets,
Not the town that I recall, now,
Or my house, homey and familiar,
But a day, not sunny
 but bright all the same
buying a popsicle with a friend
and climbing a tree in the park.
